

# PSY, Hangover (ft. Snoop Dogg)

Hangover, hangover, hangover, hangover-over-over (bend over)  
Hangover, hangover, hangover, hangover-over-over (bend over)  
Party's over, it ain't over  
Try to make a bad memory over and over  
Hangover, hangover, hangover, hangover-over-over (bend over)  
Hangover, hangover, hangover, hangover-over-over (bend over)  
Party's over, it ain't over  
Care to find a single piece of me, game over  
Hangover  
Hangover  
Hangover, hangover, hangover, hangover-over-over  
Hangover, hangover, hangover, hangover-over-over (bend over)  
Hangover, hangover, hangover, hangover-over-over  
Care to find a single piece of me, game over

[Snoop Dogg:]

Drink 'till you're drunk  
Smoke like a broke stove  
Don't quit, take flight  
I can't remember last night  
It's aight, this the life of a superstar  
Sci-fi with that boy trooping hard, coupling cars  
Snoop be hard in the paint  
Drink another cup until I fall flat  
All lead and then some  
1-5-1, done dilly  
Really for sure that  
I'm throw back intoxicated  
Change over, game over, hangover, faded

Body Shit Miss

Deche reoki yes kkoekkori moschajgesseu

Drink it up and get sick  
Bottom's up, get wasted  
Pour it up, drink it up, live it up, give it up  
Oh my God, dammit, there's the fucking limit  
Pour it up, drink it up, live it up, give it up  
(Badeusio)  
But I can't stop  
Making bottles pop until the wheels fall off  
(Badeusio)  
And I can't quit  
I wake up in the morning do the same shit  
Wake up in the morning do the same shit

[Snoop Dogg:]

Waking and baking, shaking the flees  
Caking and baking, raking the cheese  
Early in the morning in the bathroom on my knees  
Tipping and dripping, flipping the flow  
Whipping and dripping a drink on the floor  
This is the only way that I was taught a long time ago  
Seoul, Korea, you'll see a G-a like me-a

Never would there ever be another like he-a  
G-A-N-G-S-T-A, nothing left to say  
I done smoked my whole day
