

Psychic Ills, See You There

If you come down the road, I'll see you there
If you come all the way back home, I'll see you there
And if you go all the way, all the way back home
If you go somewhere all alone
If you want me to meet you, I'll see you there

If you're going down
If you're going down
I'll see you there

If you come back down the road, I'll see you there
If you got nowhere else to go, I'll see you there
And we can go anywhere you wanna go
If you go somewhere alone
If you want me to meet, I'll see you there

If you're going down
If you're going down
I'll see you there

If you're going down
If you're going down
If you're going down
If you're going down
Hey, I'll see you there
