Puddle Of Mudd, Sidney

Sydney
Why'd you have to go and leave everybody behind
Help me
'Cause I think I'm taking these emotions, these emotions way to far
Baby
You know that I'm sorry for everything I've ever done
I'm gonna set you free
I'm gonna set you free
Free...
Save me
From slipping down my knees are bleeding I'm back on the ground
Noone
Will ever know what it's like unless you've been there before
Aching
And I think I'm headed in the light but I cannot get back home
Get back home
I'm gonna set you free
I'm gonna set you free
Crazy
Going crazy
Noone knows me
Talks about me all the time
Drowning
Look, I'm melting
Just don't touch me
Heaven, help me
I'll be fine
Lifting up
She won't ever
Let me go
Don't ever let her go
But you're taking away my soul
I don't know if you'll ever know how much you mean to me
Sydney
Why'd you have to go and leave everybody behind
All behind
Baby
Well, now I'm gone
You know I'm gone
And I hope that you're fine
You'll be alright
I'm gonna set you free
I'm gonna set you free
Yeah
I'm gonna set you free
I know that you're looking down on me
Set you free
Sydney I know that you're looking down on me
I'm gonna set you free
Why'd you leave me??
Why'd you leave me??
Why'd you leave me??
Why'd you leave me by myself??
Oh, Sydney...
