

Puff Daddy & Faith Evans, I'll Be Missing You

Yeah... this right here (tell me why)
Goes out, to everyone, that has lost someone
That they truly loved (cmon, check it out)

Seems like yesterday we used to rock the show
I laced the track, you locked the flow
So far from hangin on the block for dough
Notorious, they got to know that
Life aint always what it seem to be (uh-uh)
Words cant express what you mean to me
Even though youre gone, we still a team
Through your family, Ill fulfill your dream (thats right)
In the future, cant wait to see
If you open up the gates for me
Reminisce some time, the night they took my friend (uh-huh)
Try to black it out, but it plays again
When its real, feelings hard to conceal
Cant imagine all the pain I feel
Give anything to hear half your breath (half your breath)
I know you still living your life, after death

Every step I take, every move I make
Every single day, every time I pray
Ill be missing you
Thinkin of the day, when you went away
What a life to take, what a bond to break
Ill be missing you

I miss you big

Its kinda hard with you not around (yeah)
Know you in heaven smilin down (eheh)
Watchin us while we pray for you
Every day we pray for you
Til the day we meet again
In my heart is where Ill keep you friend
Memories give me the strength I need (uh-huh) to proceed
Strength I need to believe
My thoughts big I just cant define (cant define)
Wish I could turn back the hands of time
Us in the 6, shop for new clothes and kicks
You and me taking flicks
Makin hits, stages they receive you on
I still cant believe youre gone (cant believe youre gone)
Give anything to hear half your breath (half your breath)
I know you still living youre life, after death

Every step I take, every move I make
Every single day, every time I pray
Ill be missing you
Thinkin of the day, when you went away
What a life to take, what a bond to break
Ill be missing you

somebody tell me why

On that morning
When this life is over
I know
Ill see your face

Every night I pray, every step I take
Every move I make, every single day
Every night I pray, every step I take

every day that passes
move I make, every single day
is a day that I get closer
to seeing you again
Every night I pray, every step I take
we miss you big... and we wont stop
Every move I make, every single day
cause we cant stop... thats right
Every night I pray, every step I take
Every move I make, every single day
we miss you big
