La la la la...

Your invitation is always by telephone call  
Our date spot is always the drive-in  
We sit in the sweet heart box  
The windows are shaped like lemon pie  
You have cold melon juice  
I have a fancy rose on my dress  
Our romance is timing love  
Your words are sugar sweet  
Cake is love  
A round sour-plum heart  
Cake is love

Cake is love  
Cake is love

The open car in the parking lot  
Inside the store it's rock and roll  
A swaying ribbon and ponytail  
A raspberry flies by  
Your jumping dance  
The marshmallow moon begins to tumble  
Our dream is rolling up  
A sweet-smelling banana bar  
Cake is love  
Apple pie dancing the night away  
Cake is love  
Love is melting cherry jam  
Cake is love  
Cake is love  
Cake is love  
La la la la...

It's a shining moody night  
Even the stardust is shining love  
The balcony to tomorrow  
We have a cherry kiss  
I'm swaying with you, mango pudding  
The world is a big pork pie  
Jelly beans jump around  
Black currant juice is an adult taste  
Cake is love  
Tired of dancing, pumpkin pie  
Cake is love  
We keep talking, peach pie  
Cake is love  
Cake is love  
Cake is love  
La la la la...
