Sabakuni ukabeta fune no ue hitowa mina hitori  
Tookuni yureteru shinkirou soretomo nee anata nano?

Sagashiteiru noyo kyoumo amai orokana yume  
Itsuka anatato itta  
Kanashimino nai kuni kanashimino nai kuni

KIRAKIRA to rakuda no me yurayura to tsuki no kage  
Hashaideru yo no nakani se wo mukete arukidasu

Sabakuni ukabeta fune no ue atashimo tsuretette

Sagashiteiru noyo kyoumo futari egaita yume  
Asani nattara kitto  
Kanashimino nai kuni kanashimino nai kuni

Sabakuni ukabeta fune no ue nemuru anata no yoko

&lt;/lyrics&gt;

We're all alone, on boats floating in the desert  
A mirage flickering in the distance, or is it you?

I'm still searching today, for a sweet, foolish dream  
A land without sadness, a land without sadness  
That I went to with you one day

The camel's shining eyes, the gentle moonlight  
I turn my back on the frolicking world and start walking

Take me away on a boat floating in the desert

I'm still searching today, for the dreams we painted  
Tomorrow, I'll surely be in  
That land without sadness, that land without sadness

Sleeping by your side on a boat floating in the desert
