&lt;/lyrics&gt;

Hey boy, hold your head up

Hey girls, laugh

Thank you everyone, everyone

It's so small and ordinary

The echo of this planet

Hey boy, hold your head up

Anytime, join hands

And connect  
Because the round sun rises  
Let's live large  
Start walking on the endless road  
The blue earth is in your hands  
Hey girls, laugh  
Again and again  
Together, let's sing  
As a breath of air breathes softly  
Let your body go  
Blossom under the spring sky  
The huge universe is in your heart  
Hey boy, hold your head up  
Hey girls, laugh  
Thank you everyone, everyone  
It's so small and ordinary  
The echo of this planet
