Dream story

Sometimes there's dependence, sometimes there's staring, sometimes we don't hold hands,  
Sometimes there's laughter, sometimes there's flirting, sometimes we wait a bit and we're busy

Looking for the fragments of youth (Still want to know)

And wanting to turn on the light in the fog (Still it's lacking)

Finding that time of mine (Still can go further)

Love story

Sometimes we know the meaning, those two take a year and  
Before recently it was just that child and being jealous

Youth sparkling and radiant (Still want to know)  
Tears overflowed a little (Still it's lacking)  
The heart that's filled will go somewhere (Can do more)

It's easy we gotta be  
Doing things like looking up at the sky, blooming out full, telling lies,  
Calling love, shouting love, getting hurt, and pretending

Worrisome feelings in early spring (Still want to know)  
Breathing also forgotten (Still it's lacking)  
A form of luck that's hardly visible (This is love)
