

# Pulp, I Want You

Hey, / you can look, you can look just like anyone else  
if that's what you want to do. / I,  
I could laugh, I could laugh in your face if I want / oh, but I'm not going to.  
([backing vocals:] ba ba ba ba)  
When we met last week on Saturday,  
([backing vocals:] ba ba ba ba)  
I couldn't make a sentence, / I couldn't even say / what I meant to say:  
that I want you / (it doesn't hurt to say I want you), I need you  
(I never thought I'd say I need you), I'll keep you,  
oh yes I'll keep you and I'll throw myself away, away, away,  
and I'll break you / because I lose myself inside you, I'll make you  
fit in the space that I provide you, I'll take you,  
oh yes, I'll take you just to push you far away, away, away.  
Yes, / yes, you're all, yes you're all that I ever desire,  
still I'll kill you in the end.  
When, / when it seems, when it seems that it's getting too soft,  
when you lapse into a friend,  
([backing vocals:] ba ba ba ba)  
There's someone just behind the door  
([backing vocals:] ba ba ba ba)  
so don't betray your feelings, / no don't talk anymore,  
never dare to say / that I want you  
(it doesn't hurt to say I want you), I need you  
(I never thought I'd say I need you), I'll keep you,  
oh yes I'll keep you and I'll throw myself away, away, away,  
and I'll break you / because I lose myself inside you, I'll make you  
fit in the space that I provide you, I'll take you,  
oh yes, I'll take you just to push you far away, away, away.  
Now, / now we come, now we come to the end of it all,  
see it squirming, almost dead.  
No, / you can't leave, you can't leave it to die here in pain.  
You've got to stamp upon it's head.  
([backing vocals:] ba ba ba ba)  
I'll go out and you'll stay home  
([backing vocals:] ba ba ba ba)  
facing up to living, / living on your own, / and I'll curse my pride,  
curse my pride, / curse my stupid pride / because I want you  
(it doesn't hurt to say I want you), I need you  
(I never thought I'd say I need you), I'll keep you,  
oh yes I'll keep you and I'll throw myself away, away, away, and I'll break you  
because I lose myself inside you, I'll make you  
fit in the space that I provide you, I'll take you,  
oh yes, I'll take you just to push you far away, away, away.
