## Pulp, The Babysitter

Susan's babysitter / is seventeen years old / oh she looks like Susan when she still lived at home / She's a lovely girl

She's got long black hair / if you go home now / she might still be there Susan's babysitter / is twenty-one years old / she still looks like Susan when Susan was not at home

She's a lovely girl / she's got long blonde hair / if you go home now she will not be there / 'cos she left last June

She came home too soon / You were both upstairs / in your daughter's room She's a lovely girl.
