## Pussy Riot, Straight Outta Vagina (feat. Desi Mo

If your vagina is a brand Let your vagina start a band If your vagina lands in prison Then the whole world's going to listen

My vagina is tough and dangerous Shaking up the major labels Vagina's gonna takes the stage Coz vagina has lot to say

Don't play stupid, don't play dumb, Vagina's where you're really from. We from, we from Vagina we from /2x

Vagina is going win the race
Vagina is going play in space
Vagina is going takes the checks
Vagina ... your shopping cards
Vagina is in at museum
And people buying tickets just to see it
Put your pussy on a diet
Then paparazzi gonna start a riot

Don't play stupid, don't play dumb, Vagina's where you're really from. We from, we from Vagina we from /2x
