## Queen, Calling You

Calling You ☐ (George Michael and Queen)

A desert road from Vegas to nowhere Someplace better than were you've been A coffee machine that needs some fixin' In a little cafe just around the bend

Chorus: I am calling you Can't you hear me? I am calling you

A hot dry wind blows right through me The baby's crying and I can't sleep But we both know that a change is coming Come on closer, sweet release

Chorus

Desert road from Vegas to nowhere
