

# Queen, Dragon Attack

(May)

Take me to the room where the red's all red  
Take me out of my head-'s what I said  
Take me to the room where the green's all green  
And from what I've seen it's hot, it's mean

Take me to the room where the beat's all round  
Gonna eat that sound -(yeah yeah yeah)  
Take me to the room where the blacks all white  
And the white's are black, take me back to the shack

Low Down-She don't take no prisoners  
Go Down-Gonna give me the business  
No time-Yeah chained to the rack!  
Show time-Got a Dragon on my back  
Show down-Go find another customer  
Slow down-I gotta make my way
