

# Queen, Dreamer's Ball

(May)

Oh I used to be your baby  
Used to be your pride and joy  
You used to take me dancing  
Just like any other boy  
But now you've found another partner  
You've left me like a broken toy

Oh it's someone else you're taking  
Someone else you're playing to  
Honey though I'm aching  
Know just what I have to do  
If I can't have you when I'm waking  
I'll go to sleep and dream of you

Oh take me take me take me  
To the dreamer's ball  
I'll be right on time and I'll dress so fine  
You're gonna love me when you see me  
I won't have to worry  
Take me take me  
Promise  
'Till it's morning  
It's all been true

Oh take me take me take me  
I'm your play thing now  
You make my life worthwhile  
With the slightest smile  
Or destroy me with a barely perceptible whisper  
Gently take me remember I'll be dreaming of my baby  
At the dreamer's ball

Take me hold me  
Remember what you told me  
You'd meet me at the dreamer's ball  
I'll meet you at the dreamer's ball
