## Queen, Flick Of The Wrist

(Mercury)

Dislocate your spine if you don't sign he says I'll have you seeing double Mesmerize you when he's tongue-tied Simply with those eyes Synchronize your minds and see The beast within him rise

Don't look back Don't look back It's a rip-off Flick of the wrist and you're dead baby Blow him a kiss and you're mad Flick of the wrist - he'll eat your heart out A dig in the ribs and then a kick in the head He's taken an arm and taken a leg All this time honey Baby you've been had.

Intoxicate your brain with what I'm saying If not you'll lie in knee-deep trouble Prostitute yourself he says Castrate your human pride Sacrifice your leisure days Let me squeeze you till you've dried

Don't look back Don't look back It's a rip-off

Work my fingers to my bones I scream with pain I still make no impression Seduce you with his money-make machine Cross-collateralize, (big-time money, money) Reduce you to a muzak-fake machine Then the last goodbye It's a rip-off

Flick of the wrist and you're dead baby Blow him a kiss and you're mad Flick of the wrist - he'll eat your heart out A dig in the ribs and then a kick in the head He's taken an arm, and taken a leg All this time honey Baby you've been had
