Queen, Hammer To Fall (12" Headbanger's Mix)

Here we stand or here we fall History won't care at all Make the bed, light the light Lady Mercy won't be home tonight

You don't waste no time at all Don't hear the bell but you answer the call It comes to you as to us all We're just waiting For the hammer to fall

Oh ev'ry night and every day
A little piece of you is falling away
But lift your face the Western Way
Build your muscles as your body decays

Toe your line and play their game Let the anaesthetic cover it all Till one day they call your name You know it's time for the hammer to fall

Rich or poor or famous
For your truth it's all the same (oh no, oh no)
Lock your door the rain is pouring
Through your window pane (oh no)
Baby now your struggle's all in vain

For we who grew up tall and proud In the shadow of the mushroom cloud Convinced our voices can't be heard We just wanna scream it louder and louder

What the hell we fighting for?
Just surrender and it won't hurt at all
Just got time to say your prayers
While you're waiting for the hammer to hammer to fall

It's gonna fall Hammer You know Hammer to fall While you're waiting for the hammer to fall

Give it to me one more time
