Queen, Heaven For Everyone

This could be heaven This could be heaven This could be heaven for everyone

In these days of cool reflection You come to me and everything seems alright In these days of cold affections You sit by me and everything's fine

This could be heaven for everyone
This world could be fed, this world could be fun
This could be heaven for everyone
This world could be free, this world could be one

In this world of cool deception
Just your smile can smoth my ride
These troubled days of cruel rejection, hmm
You come to me, soothe my troubled mind

Yeah, this could be heaven for everyone This world could be fed, this world could be fun This should be love for everyone, yeah This world should be free, this world could be one We should bring love to our daughters and sons Love, love, love, this could be heaven for everyone

You know that This could be heaven for everyone This could be heaven for everyone

Listen - what people do to other souls They take their lives - destroy their goals Their basic pride and dignity Is stripped and torn and shown no pity When this should be heaven for everyone
