Queen, Khashoggi's Ship

(Queen)

Who said that my party was all over, huh, huh, I'm in pretty good shape, The best years of my life are like a super nova, Huh, huh, perpetual craze, I said that Everybody drank my wine -you get my drift, And then we took a holiday on Khashoggi's ship - well, We really had a good good time they was all so sexy We was bad, we was blitzed, All in all it was a pretty good trip, This big bad sucker with a fist as big as your head, Wanted to get me, I said go away I said kiss my ass honey, He pulled out a gun, wanted to arrest me, I said uh, uh, babe, Now listen no-one stops my party, No-one stops my party, No-one, no-one stops my party, Just like I said, We were phased, we was pissed, Just having a total eclipse, This one's on me so let us do it just right, This here one party don't get started 'till midnight, Party to the left -Party to the right -Left - right No-one stops my
