

Queen, Polar Bear

Open up your mind and let me step inside
rest your weary head and let your heart decide
It's so easy when you know the rules
It's so easy
all you have to do is fall in love
Play the game - everybody play the game
of love
When your feeling down and your resistance is low
Light another cigarette and let yourself go
This is your life - don't play hard to get
It's a free world
All you have to do is fall in love
Play the game Everybody play the game of love
My game of love has just begun
Love runs from my head down to my toes
My love is pumping through my veins
Driving me insane
Play the game
Everybody play the game of love
This is your life - don't play hard to get
It's a free world
all you have to do is fall in love
Play the game of love
This is your life - don't play hard to get
It's a free, free world
all you have to do is fall in love!
