

Queen Sarah Saturday, Bee

this bee wants to bee you
this bee needs some blood
this bee wants to bee you
he just needs some love
and he knows the way
cos hes been there before
and hes seeing the things that he hoped for

cos he heard it, and he felt it, and he liked it, oohhoo,
heard it, and he felt it, and he liked it

Now beaver has fever
as hot as it gets
and you were not here that's just the way it is
and the driveway is walking
it is no surprise
you see it alone
cos its in your eyes

cos he heard it, and he felt it, and he liked it, oohhoo,
Heard it, and he felt it, and he liiiiiiii.

this bee wants to bee you
this bee needs some blood
this bee wants to bee you
he just needs some love
and he knows the way
cos hes been there before
and hes seeing the things that he hoped for

cos he heard it, and he felt it, and he liked it, ooOO-yeah,
heard it, and he felt it, and he liiiiiked it
