Queen, Stone Cold Crazy

(May, Mercury, Taylor, Deacon)

Sleeping very soundly on a Saturday morning I was dreaming I was Al Capone
There's a rumour going round, gotta clear outa town
I'm smelling like a dry fish bone
Here come the Law, gonna break down the door, gonna carry me away once more
Never, never, never get it any more
Gotta get away from this stone cold floor
Crazy
Stone cold crazy, you know

Rainy afternoon I gotta blow a typhoon and I'm playing on my slide trombone Anymore, anymore, cannot take it anymore

Gotta get away from this stone cold floor Crazy Stone cold crazy, you know

Walking down the street, shooting people that I meet with my rubber tommy water gun
Here come the deputy, he's gonna come and getta me
I gotta get me get up and run
They got the sirens loose
I ran outa juice
They're gonna put me in a cell, if I can't go to heaven
Will they let me go to hell
Crazy
Stone cold crazy, you know
