

# Queen, White Man

(May)

I'm a simple man  
With a simple name  
From this soil my people came  
In this soil remain  
Oh yeah. . .

And we made us our shoes  
And we trod soft on the land  
But the immigrant built roads  
On our blood and sand  
Oh yeah. . .

White man, white man  
Don't you see the light behind your blackened skies  
White man, white man  
You took away sight to blind my simple eyes  
White man, white man  
Where you gonna hide  
From the hell you've made?

Oh the red man knows war  
With his hands and his knives  
On the Bible you swore  
Fought your battle with lies  
Oh yeah. . .

Leave my body in shame  
Leave my soul in disgrace  
But by every God's name  
Say your prayers for your race

White man, white man  
Our country was green and all our rivers wide  
White man, white man  
You came with a gun and soon our children died  
White man, white man  
Don't you give a light for the blood you've shed?

What is left of your dream?  
Just the words on your stone  
A man who learned how to teach  
Then forget how to learn
