

# Queen, White Queen (As It Began)

So sad her eyes  
Smiling dark eyes  
So sad her eyes  
As it began

On such a breathless night as this  
Upon my brow the lightest kiss  
I walked alone  
And all around the air did say  
My lady soon will stir this way  
In sorrow known

The white queen walks  
And the night grows pale  
Stars of lovingness in her hair

Heeding unheard  
Pleading one word  
So sad her eyes  
She cannot see

How did thee fare what have thee seen  
The mother of the willow green  
I call her name  
And 'neath her window have I stayed  
I loved the footsteps that she made  
And when she came

White queen how my heart did ache  
And dry my lips no words could make  
So still I wait

My goddess hear my darkest fear  
I speak too late  
It's forevermore that I wait  
Dear friend goodbye  
No tears in my eyes  
So sad it ends as it began
