

Queens, Can't take my eyes off you

I love you baby and if it's quite all right
I need you baby to warm the lonely nights
And let me love you baby, let me love you
You're just too good to be true
Can't take my eyes off you
You'd be like heaven to touch
I wanna love you so much
At long last love has arrived
And I thank God I'm alive
You're just too good to be true
Can't take my eyes off you
I love you baby and if it's quite all right
I need you baby to warm the lonely nights
I love you baby, trust in me when I say
Oh pretty baby, don't bring me down I pray
Oh pretty baby, now that I've found you, stay
And let me love you baby, let me love you
You're just too good to be true
Can't take my eyes off you
You'd be like heaven to touch
I wanna love you so much
At long last love has arrived
And I thank God I'm alive
You're just too good to be true
Can't take my eyes off you
I love you baby and if it's quite all right
I need you baby to warm the lonely nights
I love you baby, trust in me when I say
Oh pretty baby, don't bring me down I pray
Oh pretty baby, now that I've found you, stay
And let me love you baby, let me love you
