

Queens Of The Stone Age, My God is the Sun

Far beyond the desert road
Where everything hangs off
So good the empty space
And to erase the [?]

Healing, like fire from above
Kneeling, my god is the sun
Healing, with fire from above
Kneeling, my god is the sun

I don't know what time it was
I don't wear a watch
So good to be an ant who crawls
A top a spinning rock

Healing, like fire from above
Kneeling, my god is the sun
Healing, with fire from above
Kneeling, my god is the sun

Healing, like fire from above
Kneeling, my god is the sun
Feeling, healing, kneeling, loving

Love us
Heal us
Always look at the time
