

# Queens Of The Stone Age, The Vampyre of Time

I want God to come  
And take me home  
Cuz I'm all alone in this crowd  
Who are you to me?  
Who am I supposed to be?  
Not exactly sure anymore  
Mmm where's this going to?  
Can I follow through?  
Or just follow you, for a while

Does anyone ever get this right?  
I feel no love

And all confusion here  
It is as I feared  
The illusion that you feel is real  
To be vulnerable is needed most of all  
If you intend to truly fall apart

You think the worst of all  
Is far behind  
The Vampyre of time and memories, has died  
I've survived, I speak. I breathe, I'm incomplete  
I'm alive, hurray, you're wrong again cuz I feel no love  
Does anyone ever get this right?

Does anyone ever get this right?  
I feel no love  
I feel no love
