

Quicksand, Skinny (It's Overflowing)

I'm on the inside,
I'm on your side,
And each thought stings.

I can't think straight.
It's overflowing.
It's overflowing.
It's coming down.
It's overflowing.
It's sinking.
It's overflowing.

It's some savior,
you fall into.
And each love stings.
I can't think straight.

It's overflowing.
It's overflowing.
It's coming down.
It's overflowing.
I'm sinking.
It's overflowing.
It's coming down.
It's overflowing.
It's sinking.
It's overflowing.
It's coming down.
