

Quicksilver Messenger Service, Dino's Song

i dont ever wanna see you cryin'
and i dont ever wanna see you blue
ohh no
all i ever wanted to do was know you
and maybe hope you could know me too
well i dont ever wanna make you sorry
for anything you've ever said or done
ohhh no
all i ever wanted to do was love you
and maybe hope you could love me too

and its all right baby
im in love with you
and its all riiight
i would never make you blue
or try to play with you

i dont ever wanna spoil your party babe
or tell you where to go or what to do
oh no
all i ever wanted to do was know you
and maybe hope you could know me too

and its all right baby
im in love with youuu
and its all right yea
i would never make you blue
or try to play with you

well i dont ever wanna spoil your party babe
or tell you where to go or what to do
OHH NO
all i ever wanted to do was love you
and maybe hope you could love me too
