

Quincy Punx, Splatter Punk

Fuck you and your political scene
Give me a Fangoria magazine
Wann talk philosophy? Well maybe later
I'm watching Bride Of Reanimator

[Chorus:]
Violence, Gore, and Mutilation
Dismemberment Decapitation

Blood & guts & gore & veins in my teeth
They just call me a blood-sucking freak
Chainsaws and drill bits dripping with gore
That'd what I use my power tools for

[Repeat Chorus]

Hellraiser, Hellbound, and Evil Dead
The Wizard of Gore and Color Me Blood Red
Werewolves & vampires & toxic zombies
And pyscho slashers who kill their mommies

[Repeat Chorus]
