

QZ KENDI, HUMAN

Just a little bit tough for us
For now, just for now
Just a little bit hope for us
For now, just for now

I?ll make it easy
Why don?t you see it?
Take it or leave it
I?ll make you feel it

Just a little bit hope for us
For now, just for now

I?ll make it easy, hey!
I?ll make it easy, hey!
I?ll make it easy, hey!
I make it, make it!

Just a little bit trust for us
Sometimes, just sometimes
Just a little bit faith for us
Sometimes, just sometimes

I?ll make it easy
Why don?t you see it?
Take it or leave it
I?ll make you feel it

Just a little bit faith for us
Sometimes, just sometimes

I?ll make it easy, hey!
I?ll make it easy, hey!
I?ll make it easy, hey!
I make it, make it!
