

R.E.M., Apologist

they call me the apologist
and now that Im at peak
you know at first it really hurt
we joke about these things
Ive skirted all my differences
but now Im facing up
I wanted to apologize for
everything I was....so
Im sorry, so sorry...
did you understand me right
the people here are good
they tell me what I should have done
and offer what I could
Im good, all is good
alls well, no complaints
when I feel regret,
I get down on my knees and pray
Im sorry, so sorry...
I live a simple life
unfettered by complex sweets
you think this isnt me
dont be weak
there I go
Im so sorry
thank you for being there for me
thank you for listening, goodbye
I can forfeit selfishness
i hope for you that you apply
this happiness
this peacefulness
Im sorry, so sorry
I live a simple life
unfettered by complex sweets
you think this isnt me
thats so sweet
Im so sorry.
