R.E.M., Arms Of Love

Maybe tonight you're achin' For someone you're dreamin' of Tomorrow you'll be wakin' Into the Arms, into the arms of Love

Maybe tonight you're cryin' Like a poor wounded dove Tell me you'll soon be flying Into the Arms, into the arms of love

Maybe tonight you're takin'

You couldn't get enough Honey you'll soon be wakin' Into the Arms, into the arms of Love

Maybe the world is falling It wasn't strong enough Tell me you'll soon be crawling Into the Arms, into the arms of Love (repeat to end)
