

# R.E.M., High Speed Train

When I look into your eyes.  
Your drop like an anchor eyes.  
I scudded and clipped the sky  
Just shy of making it.

And you almost got away.  
I told you I was afraid.  
Did I really want to try  
You're holding me to my claim

I jump on a high speed train  
I'll never look back again  
I flail like the antelope  
Who jumped from the building

and you caught me on the sly  
you've taken me by surprise.  
you've mirrored my best disguise and  
turned it back on me.

I jump on a high speed train  
I'll never look back again  
I flail like the antelope  
Who jumped from the building

I jump on a high speed train  
I'll never look back again  
To Berlin, Kyoto or Marseilles  
I'd go anywhere for you

I'll bring you a big bouquet  
I picked it myself today  
it compliments your eyes  
there's love at the end of the line

I jump on a high speed train  
I'll never look back again  
I flail like the antelope  
Who jumped from the building

I jump on a high speed train  
I'll never look back again  
To Berlin, Kyoto or Marseilles  
I'd go anywhere for you

And that's what I always knew  
I'd like to have hung the moon.  
I'd wrestle you for a spoon inside your sleeping bag.  
Just us.

No war. no hate. no past.  
It's real.  
I'm here. I'm yours. I'm fast.  
I'm long in the eye  
I'm cry when I try  
I just want to fly  
Just you and I, together
