

# R.E.M., It's A Free World Baby

I was hungry when I said  
I never got to sleep  
You go ahead  
You can get whatever you want

There's a feeling in my belly  
The new tomorrow scene  
It's an interesting job  
It's the fireworks

I don't need it "(I don't need it)"  
I hit my head "(he hit his head)"  
I can't feel anything  
You gave too much away  
You came to say  
It's a free world baby  
And you gave too much away, hey, hey

Get whatever you want  
Get whatever you want

Me, I'm tired of this candy  
My teeth ache my head  
Boys in bed, girls in bed  
All now go to sleep  
Sleep, sweet dreams  
Wake to a new today tomorrow

I don't need it "(I don't need it)"  
I hit my head "(he hit his head)"  
I can't feel anything  
You gave too much away  
You came to say  
It's a free world baby  
And you gave too much away  
It's a free world baby

Get whatever you want  
Get whatever you want

Boys in bed, girls in bed  
All now go to sleep  
Sleep, sweet dreams  
Wake to a new today tomorrow  
Sleep, sweet dreams  
Wake to a new today tomorrow

I don't need it "(I don't need it)"  
I hit my head "(he hit his head)"  
I can't feel anything  
You gave too much away  
You came to say  
It's a free world baby  
And you gave too much away

It's a free world baby  
It's a free world baby

Boys in bed, girls in bed  
All now go to sleep  
Sleep, sweet dreams  
Wake to a new today tomorrow  
Sleep, sweet dreams  
Wake to a new today tomorrow
