

# R.E.M., Just A Touch

Well what in the world? Women in black  
Don't you remember send us back  
A day in the life well nobody laughed  
Look to the days how long can this last

Kevin heard it on the radio  
Hugh informed word of mouth  
Carla read it in the news  
Caught it all just a touch

You set the pace of what was to come  
I have to carry on now that you're gone  
A day in the life well nobody laughed  
Look to the days how long can this last

There's someone in our dreams  
In our preassembled dream  
Lord! Dave! William!

Well what in the world? Women in black  
Don't you remember send towering past back  
A day in the life well nobody laughed  
Look to the days how long can this last

I can't see where to worship Popeye, love Al Green,  
I can't see, I'm so young, I'm so god damn young
