R.E.M., Me In Honey

I sat there looking ugly Looking ugly and mean I knew what you were saying You were saying to me

Baby's got some new rules Baby said she's had it with me It seems a shame you waste your time on me It seems a lot to waste your time for me

Left me to love What it's doing to me

There's a lot of honey in this world Baby this honey's from me You've got to do what you do Do it with me It seems a shame you waste your time for me

Left me to love What it's doing to me

Knocked silly
Knock flat
Sideways down
These things they pick you up
And they Turn you around
Say your piece
Say you're sweet for me
It's all the same to share the pain with me
It's all the same. Save the shame for me

Left me to love What it's doing to me

Baby's got some new rules Baby says she's had it with me There's a fly in the honey And baby's got a baby with me That's a part That's a part of me

Left me to love What it's doing to me Left me to love What it's doing to me What about me?
