

# R.E.M., Mystery To Me

(Berry/Buck/Mills/Stipe)

Living in cities, living in cars  
Living the way you never wanted to  
Living in alleys, living it down  
Living the way you always thought you'd do

Shakin' it up shakin' it down  
Shakin' the way you never wanted to

Living in cities, living in cars  
Living the way you always thought  
You'd do

You feel so old, I feel so new  
Tell me what you want me to  
Do you want me to go all night  
Do you want me to tell you you're all  
Right

Living in cities, living in cars  
Living the way you never wanted to

Lord, I feel so new  
Tell me what you want me to do

And it's a mystery to me  
And it's a mystery to me

Well your trying, trying to look so hard  
But you want, but you want, but you want to go

Living in cities, living in cars  
Living the way you never wanted to  
Shakin' it up, shaking it down  
Shakin' the way you always thought you'd do

You feel so old, I feel so new  
Tell me what you want me to do
