

R.E.M., Seven Chinese Brothers

This mellow, sweet, short-haired boy woman offers, pull up a seat
Take in one symphony now, we've just begun to battle
Wrap your heel in bones of steel, turn the lake a twist of color
Autumn waited, hold it to you, swim the color, come another

Seven Chinese brothers swallowing the ocean
Seven thousand years to sleep away the pain
She will return, she will return

This mellow, sweet, short-haired boy woman offers, pull up a seat
Take in one symphony now, we've just begun to battle
Wrap your heel in bones of steel, turn the lake a twist of color
Autumn waited, hold it to you, swim the color, come another

Seven Chinese brothers swallowing the ocean
Seven thousand years to sleep away the pain
She will return, she will return

This mellow, sweet, short-haired boy woman offers, pull up a chair
Take in one symphony now, I guess we lost that battle
Wrap your heel in bones of steel, turn the gray a twist of color
Autumn waded seven seas, swim in color, become another

Seven Chinese brothers swallowing the ocean
Seven thousand years to sleep away the pain
She will return, she will return
She will return, she will return
