

# R.E.M., Star 69

you don't have to take the bar exam to see  
What you've done is ignoramus 103  
What've I got to hang my hat on  
You don't have a pot to pee in  
All this just to be your friend  
I was there until the end.  
Extortion and arson, petty larceny

I know you called - I know you called - I know you called -  
I know you called - I know you called - I know you hung up my line  
Star 69

I know all about the warehouse fire  
I know squirrelys didn't chew the wires  
3 people have my number  
The other 2 were with me.  
I don't like to tell-tell but I'm not your patsy.  
This time you have gone too far with me.

I know you called - I know you called - I know you called -  
I know you called - I know you called - I know you hung up my line  
Star 69

Why'd you put your quarter down on me?  
This reads like some dork inside edition hard copy.  
I can't be your character witness  
I can't be your alibi  
Doorbell rings it's the FBI  
We learned spy vs. spy  
You my friend, are guilty as can be.

I know you called - I know you called - I know you called -  
I know you called - I know you called - I know you hung up my line
