R.E.M., Strange

(Gilbert/Lewis/Newman/Gotobed)

There's something strange going on tonight There's something going on that's not quite right Michael's nervous and the lights are bright There's something going on that's not quite right

There's something going on that wasn't here before Keep your eyes glued to the floor There's something strange going on tonight There's something going on that's not quite right

There's something going on that wasn't here before Keep your eyes glued to the floor No one's going to say goodnight There's something going on that's not quite right
