

R.E.M., Supernatural Superserious

Everybody here
Comes from somewhere
But they would just as soon forget
and disguise
At the summer camp where you volunteered
No one saw your face, no one saw your fear
If that apparition had just appeared
Took you up and away from this place and sheer humiliation
Of your teenage station
Nobody cares no one remembers and nobody cares

Yeah you cried and you cried
Hes alive hes alive
Ah, you cried and you cried and you cried and you cried

If you call out safe then Ill stop right away
If the premise buckles and the ropes starts to shake
For the details mark
With the stories the same
You dont have to explain
You dont have to explain
Humiliation
Of your teenage station

Yeah you cried and you cried
Hes alive hes alive
Ah, you cried and you cried and you cried
And you realized your fantasies are
Dressed up in travesties
Enjoy yourself with no regrets

Everybody here comes from somewhere
If they would just as soon forget,
And disguise

Yeah you cried and you cried
Hes alive hes alive
Yeah, you cried and you cried and you cried and you cried
(Oh you cried and you cried)
(Oh you cried and you cried)

Now theres nothing dark and theres nothing weird
Dont be afraid Ill hold you near
From the sance where you first betrayed
An open heart on a darkened stage's celebration
Of your teenage station

Zen experience sweet delirious
Supernatural superserious
Inexperience sweet delirious
Supernatural superserious
(Wow)
