

R.I.O., SUN IS UP (FEAT. U-JEAN)

Sun is up when you're around,
Can't get enough 'cause it feels so good
Sun is up and the music's loud,
Just tell me why it feels so good to me
Sun is up when you're around,
Can't get enough 'cause it feels so good
Sun is up and the music's loud,
Just tell me why it feels so good to me!!

Just tell me why it feels so good to me!!

Sun is up when you're around,
Can't get enough 'cause it feels so good
Sun is up and the music's loud,
Just tell me why it feels so good to me

Sun is up when you're around,
Can't get enough 'cause it feels so good
Sun is up and the music's loud,
Just tell me why it feels so good to me
Sun is up when you're around,
Can't get enough 'cause it feels so good
Sun is up and the music's loud,
Just tell me why it feels so good to me

Feels so good
Feels so good
Feels so good

Feels so good
Feels so good
Feels so good

Just tell me why it feels so good to me!!

Sun is up when you're around,
Can't get enough 'cause it feels so good
Sun is up and the music's loud,
Just tell me why it feels so good to me!!
