

R.Kelly, Peace

(Peace) it's what I prayer for
(Peace) oh my
(Peace)
(Peace) all around the world
(Peace) it's what I prayer for
(Peace) oh my
(Peace)
(Peace) hurry
Come on in this house children
The war has started
Light the candles right now
It's about to be darkness, oh yeah
There's no telling when the sun will shine again, no
When it's over there's a question asked
Who wins? Who wins?
Spirit
Through the land
Spirit of peace
Oh yes
Spirit move
Oh move
Oh yeah
Heaven send down
(Peace) it's what I prayer for
(Peace) oh my
(Peace)
(Peace) all around the world
(Peace) it's what I prayer for
(Peace) oh my
(Peace)
(Peace) hurry
Turn your head, close your eyes
There's people out there dying, oh
With so much wealth in the land
Why is this land starving?
As I look over this place
There's so much hatred
If I could I'd pack my bags
And hitch hike to heaven
Spirit move
Oh move
Spirit move
All through the land
Won't you move
Oh move, oh move, oh move
Oh move, yeah
This is what I prayer for
(Peace) for peace
(Peace) all around the world
(Peace) woah
(Peace) I prayer for peace
(Peace) oh peace
(Peace) oh peace
(Peace) heaven shine your light
(Shine your light on me)
(Shine your light on me) let it shine
(Shine your light on me) oh
(Shine your light on me) shine your light
(Shine your light on me) on me
(Shine your light on me) for the World
(Shine your light on me) to see (pray for me...)
(Shine your light on me) let it shine
(Shine your light on me) real bright
(Shine your light on me) through the day
