

# R. Kelly, You Remind Me Of Something

You remind me of something  
I just can't think what it is

Chorus:

You remind me of my jeep; I wanna ride it  
Something like my sound, I wanna pump it  
Girl you look just like my cars; I wanna wax it  
And something like my bank account, I wanna spend it baby

It's something about your love that's got me going crazy  
Baby you should know I want you real bad  
And girl I really like your freaky style  
How can I be down with you?  
So get a little closer to my ride, baby  
I wanna get to know you lady  
And hit me up on how to get inside you - listen pretty baby  
I wanna roll it, roll it, roll it is all I wanna do for you baby  
Girl it's something kind of sexy goin' on about you

Chorus x2

Now I would like to take you on a ride tonight  
Girl you know we'll have so much fun  
And give you everything your body needs  
Satisfaction guaranteed  
So pull up to my bumper and  
let the system sound  
Girl, I bet cha' I can drive you crazy  
And let me be the one to drop you off -  
babe listen to me  
I wanna roll it, roll it, roll it is all  
I wanna do for you baby  
Girl it's something kind of sexy  
goin' on about you

Chorus x2

Don't be alone, don't be alone  
I'm comin' through your door  
Turn off the lights, turn off the lights, baby  
It's something about this moment

Chorus til' fade.
