

# Rachael Yamagata, Faster

I can't talk to you  
You think I'm lost inside my mind  
You're like an old tattoo  
And I know you'll fade in time

I'm not the girl you think you know  
I'm not the girl you waited for  
I'm not the one for you  
There's just one thing left to do

Why don't you let me be?  
'Cause I'm a million miles away  
Why don't you set me free?  
You don't treat me like you say

I won't tuck you in, one last time  
I'm taking back what is mine, for me  
I belong to me

And I'm going faster  
You're going backwards  
You're gonna miss me when I'm gone  
I'm going faster  
I know what I'm after  
I should have been after it all along  
I'm going faster  
I'm going faster

That's the last black eye  
I hope I ever give to you  
Yeah, I had a good time  
But what's a girl supposed to do?

Take the pictures off the wall  
They don't look like us at all  
They don't look like friends  
I've got new things to begin

Why don't you let me be?  
'Cause I'm a million miles away  
Why don't you set me free?  
I belong to me

And I'm going faster  
You're going backwards  
You're gonna miss me when I'm gone  
I'm going faster  
I know what I'm after  
I should have been after it all along  
I'm going faster  
I'm going faster

And I'm going faster  
You're going backwards  
You're gonna miss me when I'm gone  
I'm going faster  
I know what I'm after  
I should have been after it all along  
I'm going faster  
I'm going faster
