

Radiohead, I Promise

I won't run away no more
I promise
Even when I get bored
I promise
Even when you lock me out
I promise
I say a prayer every night
I promise
I don't wish that I'm spread
I promise
The tantrums and the chilling chats
I promise
Even if the ship is wrecked
I promise

I won't run away, no more
I promise
Even I get bored
I promise
Even if the ship is wrecked
I promise
Tie ne to the rotten desk
I promise

I won't run away, any more
I promise
