Radiohead, Just (you do it to yourself)

Cant get the stink off, Hes been hanging round for days Comes like a comet, Suckered you but not your friends One day hell get to you, Teach you how to be a holy cow You do it to yourself, You do, and thats what really hurts You do it to yourself, Just you, you and no - one else You do it to yourself Dont get my sympathy Hanging out the 15th floor Youve changed the locks 3 times, He still comes reeling through the door One day hell get to you, Teach you how to get to purest hell You do it to yourself, You do, and thats what really hurts You do it to yourself, Just you, you and no - one else You do it to yourself
