## Radiohead, Last Flowers

Appliances have gone berserk I cannot keep up Treading on people's toes Snot-nosed little punk

And I can't face the evening straight You can offer me escape Houses move and houses speak If you take me there you'll get relief Believe, relief, believe

And if I'm gonna talk I just wanna talk Please don't interrupt Just sit back and listen

Cause I can't face the evening straight You can offer me escape Houses move and houses speak If you take me there you'll get relief Believe, relief, believe Relief, believe

It's too much, too bright, too powerful Too much, too bright, too powerful Too much, too bright, too powerful Too much, too bright, too powerful...
