Radiohead, Present Tense

This dance This dance It's like a weapon Like a weapon Of self defense Self defense Against the present Against the present Present tense

I won't get heavy Don't get heavy Keep it light and Keep it moving I am doing No harm As my world Comes crashing down I'm dancing Freaking out Deaf, dumb, and blind

In you I'm lost In you I'm lost

I won't turn around when the penny drops I won't stop now I won't slack off Or all this love Will be in vain

Stop from falling Down a mine It's no one's business but mine That all this love Could be in vain

In you I'm lost x4
