

# Radiohead, This Mess We're In (featuring PJ Harvey)

Can u hear them, the helicopters?  
Im in New York  
No need for words now, we sit in silence  
You look me in the eye directly  
You met me, I think it's Wednesday, the evening  
The mess we're in  
and ohhh...  
(The city sunset over me)  
Ohhh...  
(The city sunset over me)  
Night and day,  
I dream of making love to you now baby  
Love making on screen,  
Impossible dream  
And I have seen the sunrise over the river  
The freeway reminds me of...  
This mess we're in  
And ohhh...  
(The city sunset over me)  
Ohhh...  
(The city sunset over me)  
Ohhh...  
(The city sunset over me)  
Ohhh...  
(The city sunset over me)  
What were you wanting?  
(What was it you wanted?)  
I just want to say  
(I just want to say dont ever change)  
dont ever change now baby  
(and thankyou)  
and thank you  
(I dont think we will meet again)  
I dont think we will meet again  
and you must leave now before the sunrise above sky scrapers The sin and ...  
(and we must leave now before the sunrises over the sky scrapers and the city landscape comes in)  
This mess we're in  
And ohhh...  
(The city sunset over me)  
Ohhh...  
(The city sunset over me)  
Ohhh...  
(The city sunset over me)  
Ohhh...  
(The city sunset over me)
